# Instructions for poster authors

## how to prepare your e-poster

- Please prepare your e-poster in these dimensions as a portrait – **67 × 96 cm** (width × height, **in portrait orientation**). If you're more comfortable with pixel resolution, use 1080 × 1550 px.
- The e-poster must always be one page only.
- Save the final e-poster as a PDF file (**Standard format publishing online and printing**).
- We recommend saving the presentation in PPTX format. Please also prepare it in 16:9 format (the screens in the lecture rooms are this ratio).
- You can download the **SAGO 2025** e-poster template **here**.

## e-poster submission

- Send your e-poster to the following email address: rajtora@guarant.cz
- Please send your e-poster by **September 24** at the latest.
